

Mood & Joint Support*

SAM-e (S-adenosylmethionine) is an essential human methyl donor that is critical for one's overall health and well-being. Health Logics SAM-e 200mg capsule delivers a clinically relevant dose of SAM-e in a patented stabilized form that does not require enteric coating. SAM-e works with your body to naturally promote joint, brain and liver function as well as enhance mood and cognition.*
