

is your collagen medically-proven?

AminoSculpt's liquid collagen protein is medical-grade. It is perfectly predigested into the smallest peptides for better absorption, by even the most sensitive gut. It is highly concentrated and ready-to-drink for your busy life. **This makes us the #1 choice of doctors in the USA.** Trusted by health professionals for over 40 years, AminoSculpt is also available in new sugar-free flavors.

how to use

Take one to two Tablespoons (½ - 1 Fl Oz) daily at any time. Do not use cap to measure dose. For best taste mix with water. AminoSculpt can be taken straight, or added to any beverage. For best results take on an empty stomach at bedtime. Use 90 days for full benefits.
