WH Heart N' More is an exclusive scientific formulation consisting of herbal and natural ingredients that have been used for centuries in Oriental and Ayurvedic Medicine that may help counteract hypertension. Hawthorne Berries may help by dilating blood vessels away from the heart and reduce the burden placed on the heart. Garli-Eze® with its high Allicin content, provides the equivalent of a whole garlic clove per serving. Studies have shown that Garlic and Cayenne can have a positive effect on the circulatory system. Flax Seed contain Omega-3 and Omega-6 Fatty acids, which may be a force against inflammation in our bodies. The Wachters' Exclusive Blend of Sea Vegetation® is the key ingredient that makes this formula unique. *
