Serving Size 6 Capsules  
Servings Per Container 30

| Amount Per Serving                                                                                                                |          | % Daily Value |
|-----------------------------------------------------------------------------------------------------------------------------------|----------|---------------|
| Vitamin C (magnesium, potassium and calcium ascorbate blend)                                                                      | 60 mg    | 100%          |
| Vitamin D3 (cholecalciferol) (plant-derived)                                                                                      | 2,000 IU | 500%          |
| Vitamin K2 (natural vitamin K2 as MK7) <sup>††</sup>                                                                              | 100 mcg  | 125%          |
| Folate (6(S)-5-methyltetrahydrofolic acid, glucosamine salt) <sup>‡</sup>                                                         | 400 mcg  | 100%          |
| Vitamin B12 (methylcobalamin)                                                                                                     | 100 mcg  | 1,667%        |
| Calcium (from <i>Algas calcareas</i> ) <sup>‡</sup>                                                                               | 800 mg   | 80%           |
| Phosphorus (as dicalcium phosphate)                                                                                               | 200 mg   | 20%           |
| Magnesium (from di-magnesium malate, magnesium lysinate glycinate chelate <sup>‡‡</sup> and <i>Algas calcareas</i> ) <sup>‡</sup> | 400 mg   | 100%          |
| Proprietary Blend <sup>‡</sup>                                                                                                    | 25 mg    | **            |
| <i>Panax notoginseng</i> (root) extract                                                                                           |          |               |
| <i>Astragalus</i> ( <i>Astragalus membranaceus</i> ) (root) extract                                                               |          |               |
| Silica (bamboo powder extract)                                                                                                    | 15 mg    | **            |
| Boron (as bororganic glycine)                                                                                                     | 3 mg     | **            |
| Black Pepper ( <i>Piper nigrum</i> ) (fruit) extract (95% piperine) <sup>‡‡</sup>                                                 | 2.5 mg   | **            |

\*\*Daily Value not established

Other Ingredients: Hydroxypropyl methylcellulose (vegetable capsule), microcrystalline cellulose, rice flour, ascorbyl palmitate, silica.

Osteo Vegan™ is an advanced, professional grade, plant-sourced calcium and bone support formula.\* This highly specialized plant calcium in Osteo Vegan™ is micronized to ensure optimal absorption by delivering the perfect particle size.\* It is a certified organic whole food with over 70 naturally occurring trace minerals and phytonutrients. Since the calcium in this formula is an all-natural, GRAS certified, plant-derived whole food, it does not have the potential negative effects on arterial calcification that non-food based calcium supplements have.\* Additionally, NuMedica® has selected a proprietary, clinically effective plant-derived form of D3, instead of the most common source, lanolin (sheep's wool).\* D3 is essential for bone health and intestinal calcium absorption.\* Osteo Vegan™ includes an all trans-natural, patented form of K2 as MK7 to support the body's ability to utilize calcium in the bloodstream.\* Patented Albion® magnesium is included for its superior absorption compared to other forms such as magnesium carbonate.\* This formula contains a broad spectrum of other bone-supporting nutrients and utilizes a proprietary blend of AstraGin® and BioPerine® the latest in Enhanced Absorption Technologies, for maximum effectiveness.\* For best results, use with NuMedica's OsteoV SC, an essential bone support formula.\*

**Directions:** Take three capsules with breakfast and three capsules with lunch, or as directed by your healthcare practitioner.

**Caution:** Keep out of reach of children.

**Storage:** Keep tightly closed in a cool, dry place.

**This Formula Meets or Exceeds cGMP Quality Standards.**

**Does Not Contain:** Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.

OsteoV SC™ is an all-natural strontium citrate supplement designed to be combined with the plant calcium, minerals and bone supporting nutrients found in NuMedica's Osteo Vegan™ advanced bone support formula.\* Strontium, a trace mineral found in seawater and soil, is a mineral with similar properties to calcium. Research has shown that strontium may play a role in the formation of osteoblasts, new bone forming cells, while at the same time slowing the breakdown of old bone by inhibiting osteoclasts.\*

NuMedica® has included in this formula the latest in enhanced absorption technologies, a proprietary blend of AstraGin® and BioPerine® for maximum effectiveness.\* For best results, use with NuMedica's Advanced Bone Support Formula, Osteo Vegan™.\*

**Directions:** Take three capsules once per day in the evening on an empty stomach or as directed by your healthcare practitioner.

**Caution:** Keep out of reach of children.

**Storage:** Keep tightly closed in a cool, dry place.

**This Formula Meets or Exceeds cGMP Quality Standards.**

**Does Not Contain:** Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.
