

Directions: Take three capsules once per day in the evening on an empty stomach or as directed by your healthcare practitioner.

OsteoV SC™ is an all-natural strontium citrate supplement designed to be combined with the plant calcium, minerals and bone supporting nutrients found in NuMedica's Osteo Vegan™ advanced bone support formula.* Strontium, a trace mineral found in seawater and soil, is a mineral with similar properties to calcium. Research has shown that strontium may play a role in the formation of osteoblasts, new bone forming cells, while at the same time slowing the breakdown of old bone by inhibiting osteoclasts.*

NuMedica® has included in this formula the latest in enhanced absorption technology, a proprietary blend of AstraGin® and BioPerine® for maximum effectiveness.* For best results, use with NuMedica's Advanced Bone Support Formula, Osteo Vegan.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

This Formula Meets or Exceeds cGMP Quality Standards.

Does Not Contain: Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy.
