

Recommended Dosage: As a dietary supplement, take two tablets of WJR twice a day for the first six weeks with 8 oz. of water or juice. After the first six weeks some may choose to reduce the number of tablets to one twice a day or as desired. For optimum results, use this product with other Wachters' supplements.

THIS PRODUCT WAS SEALED FOR YOUR PROTECTION.
DO NOT USE IF SEAL HAS BEEN TAMPERED WITH.

Keep out of reach of children.

WJR is an exclusive formulation consisting of natural ingredients that may help support cartilage and joint function. This product contains **Regenasure® Glucosamine**, produced from a Vegetable source. It is the only non-animal non- shellfish source of glucosamine and can be consumed by vegetarians and people with shellfish allergies. **MSM** may enhance tissue pliability and add flexibility to cell walls. **Curcumin C 3Complex®**, a standardized turmeric extract can prevent the formation of free radicals and may serve as an anti-inflammatory. A proper balance of **Calcium**, **Magnesium** and **Phosphorus** coupled with **Vitamin D** can help with the formation of strong bones. The Wachters' Exclusive Blend of Sea Vegetation® is the key ingredient that makes this formula unique. *

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Wachters' Organic Sea Products' dietary supplements contain no preservatives, yeast, artificial colorings, artificial flavorings, sugar, starch or animal products. No heat, moisture or chemicals are used in preparation of WJR.
