Caution: Not to be used during pregnancy or while nursing.
Keep out of reach of children.

WMH is a formulation consisting of herbal and natural ingredients that have been used extensively in Europe. **Feverfew Extract** contains parthenolide that may help in inhibiting substances that can dilate blood vessels and may have some anti-inflammatory effects. **Ginkgo Biloba Extract** may enhance cerebral circulation. **White Willow Bark** is the original source of salicin the forerunner of aspirin but without aspirin's side effects. **Magnesium** is a mineral that may assist transmission of nerve impulses to the brain. The Wachters' Exclusive Blend of Sea Vegetation® is the key ingredient that makes this formula unique.*
