

# digestive enzymes with probiotics

Provides enzymes and good bacteria that promote nutrient absorption from foods†

Promotes digestion†

May help ease occasional stomach upset†

Supports healthy immune functions†

## Isotonix®

The world's most advanced nutraceuticals

20 Pockets: 0.23 oz (6.67 g)

Net Weight: 4.7 oz (133.4 g)

An Isotonic-Capable Dietary Supplement

## Isotonix® Digestive Enzymes with Probiotics

supplies enzymes that are not inactivated by the low pH found in stomach acid.

This allows the Isotonix enzymes to mix with the body's own enzymes to promote the digestion and absorption of nutrients.

This formula also contains *Lactobacillus sporogenes*, which helps support a healthy digestive tract.

## Supplement Facts

Serving Size: 3.3 g  
Servings Per Packet: 2

|                                  | Amount Per Serving           | % Daily Value |
|----------------------------------|------------------------------|---------------|
| Calories                         | 10                           |               |
