

Recommendation: Take 2 capsules daily, preferably before mealtime with water. Coral Calcium Plus is an excellent source of an alkaline form of Calcium that can help to support a healthy acid-base balance. *In addition, bone health as well as for optimal enzymatic activity. *Coral Calcium is not harvested from living coral reefs or even from the ocean environment, but from above-ground sources in an ecologically friendly manner. In this Coral Calcium Plus formula, Magnesium and Vitamin D have been included for their essential roles in bone metabolism.*
