

Recommendation: As a dietary supplement, take three capsules three times daily with meals. Sensitive people may want to start with two capsules with two meals daily, then gradually increase to six to nine capsules per day.

Keep out of reach of children. Store in a cool, dry place. Do not use if safety seal is missing or broken.

Warning: Do not take if you are pregnant or nursing. Do not use if you have abdominal pain, diarrhea, spitting blood, or tuberculosis. Discontinue use in the event of diarrhea or watery stools. If you are taking any medications or experiencing health issues, consult your doctor before use.
