PRIMETM
ANTI-AGING NUTRACEUTICALS

secretagogue

(HGH ENHANCER)[†]

with L-ARGININE ASPARTATE

Net Weight: 12.48 oz (354 g)

DIETARY SUPPLEMENT

Ultra PRIME™ Secretagogue works with your body to help naturally stimulate the pituitary gland, resulting in increased human growth hormone (HGH) secretion and release. Increased HGH levels have been associated with health benefits, including increased lean body mass and a wide range of anti-aging effects. Increased HGH has also been shown to help maintain a healthy immune system and support sexual vitality.[†]

Directions for Use: Use only as directed. Mix one scoop in 8 to 10 fl. oz. of water. Take 30-60 minutes before bedtime or at least 45 minutes after a weight training/aerobic exercise activity. For best results, do not eat or take any supplements 1½ to 2 hours prior to or after use. Take consecutively for 6 days, skipping the seventh day, and repeat.

WARNING: For use only by individuals 30 years of age or older. If you are taking any prescription drugs, have had liver or kidney disease, uncontrolled diabetes, benign or malignant tumors, or have an ongoing medical condition, you should consult your healthcare provider before using this product. Do not use this product if you are allergic to any of the ingredients or are pregnant or breastfeeding.

KEEP OUT OF THE REACH OF CHILDREN. Store at 59-86° F (15-30° C). Protect from heat, light and moisture. Do not purchase if seal is broken.
