#CleanSeas

XYMOGEN is committed to reducing the amount of plastics used throughout our business, particularly in the packaging of our products. With our participation in the United Nations Environment Programme Clean Seas initiative, we strive to positively decrease our environmental footprint, providing results that can ultimately:

- * Help free the ocean of litter, making it safer for millions of marine animals.
- * Reduce the use of non-renewable resources.
- * Keep wild-caught seafood healthy and safe to eat.
- * Protect maritime economies such as organic fishing, tourism, and recreation.

EXCLUSIVE PROFESSIONAL FORMULAS

PROFESSIONAL USE ONLY

ProbioMax[®] Plus DF

DIRECTIONS: Dissolve the contents of one stick pack in 1–2 oz pure water and consume one to three times daily, or take as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use, especially if you have severe immune suppression. Individuals taking antifungal or other medication should discuss potential interactions with their healthcare practitioner. Do not use if stick pack is damaged.

ProbioMax[®] Plus DF is an ideal combination of ingredients for individuals seeking a well-rounded supplement to address intestinal ecology, cellular health, and immunity. It features well-researched probiotic strains; *Saccharomyces boulardii*, a non-pathogenic yeast; and arabinogalactan, a prebiotic. By combining these ingredients, the individual benefits of each component can be complemented by the mechanisms of the others.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

STORAGE: Keep closed in a cool, dry place out of reach of children.

DOES NOT CONTAIN: Wheat, gluten, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or artificial preservatives.
