

Culturelle® Advanced Care

Culturelle® Advanced Care, powered by *Lactobacillus rhamnosus* GG (LGG®), is effective at restoring a healthy bacterial balance even when your body encounters high stressors like travel or antibiotic use.*

With 15 billion live active cultures of LGG®, the most clinically studied probiotic strain,†† Culturelle® Advanced Care works naturally with your body to help:

- ✓ Keep your digestive system in balance*
- ✓ Occasional digestive upset; including diarrhea, gas and bloating*
- ✓ Restore good bacteria even during antibiotic use*
- ✓ Minimize travel-associated stomach and digestive issues*
- ✓ Support your natural defenses to keep you healthy and strong*

Culturelle® Advanced Care is at the Core of Good Health™

Take charge of your health with Culturelle® at the core of your daily wellness routine. By keeping your digestive system in balance, Culturelle® Advanced Care supports the normal function of your natural defenses to help you stay healthy and strong.*

Only Culturelle® Combines:

The leading brand with 100% *Lactobacillus rhamnosus* GG

Guaranteed potency through the expiration date vs. just the time of manufacture.***

#1 Pharmacist Recommended Probiotic Brand.†††

Dairy-free.†
Gluten-free.†
Sugar-free.‡

†† Based on the number of *Lactobacillus rhamnosus* GG clinical studies, as of January 2018

*** Guaranteed potency through date on box when stored as directed.

††† Based on the 2018 Pharmacy Times OTC Survey.

^ While there are no dairy-derived ingredients in the product, it is produced in a facility that also handles dairy ingredients.

† Meets the FDA's guidelines for gluten-free.

‡ Contains sucrose which adds a dietarily insignificant amount of sugar. Not a reduced calorie food.
