

● NEO-3[®] process utilizes lipase enzymes to enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended Dose: Take 1 teaspoon daily with a meal or as recommended by your healthcare practitioner. Shake well before each use. Do not drink directly from the bottle. **Warnings:** If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. **Keep out of the reach of children.** Use only if safety seal is intact. Refrigerate after opening. Plant sterols can create cloudy appearances when mixed with oil. The quality and efficacy of the product are not compromised.
