CHOICE

Informed Choice is a quality assurance program that certifies that all nutritional supplements and/or ingredients have been regularly tested for banned substances by the world class sports anti-doping lab, LGC.

FAST ABSORBING MUSCLE SUPPORT[†]

Dymatize® Glutamine Micronized provides 4.5g of L-Glutamine per serving. L-Glutamine is one of the most abundant amino acids found in the body and provides daily muscle support.[†]

Known for quality and proven performance, Dymatize Glutamine is the choice of serious athletes and trainers worldwide who need to perform at their best.

Dymatize Glutamine is unflavored and mixes easily so that it can be added to flavored beverages, shakes or other recipes.

REAL SCIENCE & QUALITY

Dymatize products are formulated based on the latest science and are always manufactured in GMP Certified facilities. They are banned substance tested for athlete's reassurance under the Informed-Sport program (www.informed-sport.org).

[†] These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
