

WARNING: KEEP OUT OF REACH OF CHILDREN. Inform a healthcare professional before starting any dietary supplement, particularly if there is a known immune-compromised condition. If your infant develops an allergic reaction such as a rash, itching, wheezing or hives, discontinue use and call your doctor.

When first taking a probiotic your baby's gut microbiome adjusts. Your baby may experience minor bloating, gas or intestinal gurgling which should subside with continued use. Consult your healthcare professional if symptoms continue after two weeks.

For questions, concerns or to report an adverse event, please call (800) 722-3476. www.Culturelle.com

Contains none of the following: artificial dyes, preservatives, dairy,[^] sugar,[‡] lactose, milk, yeast, soy or gluten.[^]

Storage Instructions: Store Culturelle® in a cool, dry place away from direct sunlight. Guaranteed potency through date on box when stored as directed.

Tamper Evident: Do not use if bottle or dropper appears to be opened.

For children over 1 year: Take Culturelle® Baby Grow + Thrive Packets as directed on the package.

†† Based on the number of *Lactobacillus rhamnosus* GG studies, as of January 2018.
††† Based on a 2018 survey among pediatricians recommending a probiotic brand.
[^] While there are no dairy-derived ingredients in the product, it is produced in a facility that also handles dairy ingredients.
[^] Meets the FDA's guidelines for gluten-free.
[‡] Contains sucrose which adds a dietarily insignificant amount of sugar. Not a reduced calorie food.
