

Culturelle® Ultimate Balance for Antibiotics

Did you know?
Antibiotics kill both bad
and good bacteria.

Taking Culturelle® during and
after antibiotic use is a great
way to bring your digestive
system back in balance to help
keep you healthy and strong.*

**Exclusively Powered by the LGG® Probiotic.
The Single-Strain Super Probiotic.**

It's the only one you need to help support good digestion
and immune health even while taking antibiotics.*

Only Culturelle® Combines:

100% of the
proven effective
probiotic.^{††}

Guaranteed potency through
the expiration date vs. just
the time of manufacture^{***}

Recommended by
pediatricians during
antibiotic use.^{†††}

Dairy-free.^Δ
Gluten-free.^Δ
Sugar-free.[‡]

CUBM6485

We certify that our
products meet the
highest standards
