

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: As a dietary supplement, take one teaspoon per day or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

PhosphaLine™ provides 3 g of pure polyenylphosphatidylcholine (PPC) per serving plus the highest concentrated source of 1,2 DLPC (dilinoleoylphosphatidylcholine). Unlike most other phosphatidylcholine products on the market, PhosphaLine contains no other phospholipids, aside from PPC and DLPC, that may compete for absorption. Studies suggest that PPC ingestion increases choline levels in the blood and brain and supports acetylcholine synthesis for healthy neuronal and cell function. Daily supplementation of PPC may help maintain healthy brain and liver function, healthy cholesterol levels already within the normal range, and gastric mucosal protection. PPC is widely used to support healthy aging.*
