

SHELF-STABLE

The Flora Advantage - Flora's line of shelf-stable probiotics was professionally formulated to provide you with maximum benefit and efficacy. Each strain used goes through an extensive probiotic characterization process, ensuring that it is resistant to gastric acid and bile, able to compete with other bacteria, is absent of antibiotic-resistant genes, and is able to effectively co-culture with human cells. Each probiotic strain used makes a distinct contribution to support gastrointestinal health.*

Pack your bags! Traveling for work or leisure can put a strain on your intestinal health, whether it is the associated stress, change in diet, or even the water... your gut flora is affected. This is why Flora created Travel Care Probiotic, a shelf-stable probiotic that can easily be taken anywhere to support your gastrointestinal health.*

Supplement Facts

Serving Size 1 Capsule

Amount Per Serving	% Daily Value
<i>Saccharomyces cerevisiae</i> var. <i>boulardii</i>	
CNCM I-1079 5 billion CFU	(250 mg)†
† Daily Value not established.	

OTHER INGREDIENTS: Potato starch, hydroxypropyl methylcellulose, and magnesium stearate.

SUGGESTED USE: Take 1 capsule 2 times daily. If you are on anti-fungal(s), take at least 2-3 hours before or after.

CAUTION: As with any dietary supplement, consult a physician prior to use if you are taking prescription medications or if you have a medical condition. Discontinue use and consult a physician if symptoms of digestive upset (e.g. diarrhea) occur and/or persist beyond 3 days.

TAMPER EVIDENT: Do not use if foil blister pack is broken. Store at room temperature (do not exceed 71 °F). For ultimate stability, keep refrigerated. Keep out of reach of children.

Flora's Travel Care Probiotic utilizes 5 billion cells of clinically studied *S. boulardii*, which supports both intestinal and gastrointestinal health, helping ensure you stay comfortable no matter where your travels take you. Travel Care Probiotic also helps relieve occasional traveling related diarrhea.* Maintain healthy gut flora* while you travel with Flora's Travel Care Probiotic.

**Minimum 5 billion viable cells per capsule at printed two-year expiration date.
