

EuroMedica®

Thyroid Care^{TM*}

**Supports Thyroid, Immune and
Complete Metabolic Function***

Iodine with L-tyrosine

60 Capsules

NON-GMO

DIETARY SUPPLEMENT

Thyroid Care^{TM*} provides superior nutritional support for healthy thyroid and immune function. Optimal levels of iodine benefit the thyroid gland and enhance metabolism. L-tyrosine is an important amino acid which is absolutely necessary for the body to produce thyroid (as well as noradrenaline and dopamine) hormones. It is impossible to have a well functioning thyroid without sufficient quantities of tyrosine combined with iodine, either in the diet, or through supplementation.*

Recommendations: 1-2 capsules daily on an empty stomach, or as recommended by your healthcare practitioner.

Do not use if trying to conceive, pregnant, or nursing.

* THESE STATEMENTS HAVE NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.
