WAPR is an exclusive scientific formulation consisting of herbal and natural ingredients that have been used for centuries the medicine of many cultures that can help reduce inflammation, pain and stiffness. This product contains **Boswellia Serrata Extract** and **Bromelain** that may prove effective in reducing morning stiffness and swollen joints. **Tumeric Extract** and **White Willow Bark** may reduce inflammation due to their ability to block some of the metabolic pathways responsible for causing pain and inflammation. **Cayenne** can increase circulation to affected areas of the body. **Peppermint Leaf** and **Valerian Root** may help to ease muscle tightness and promote relaxation. *

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This, like all of our products, contains the Wachters' Exclusive Blend of Sea Vegetation®, a unique combination of organic compounds comprising up to 15 different species of the highest quality sea vegetation from around the world, which serves as a synergistic activator of the other ingredients in this product, thereby enhancing their effectiveness.

Wachters' Organic Sea Products dietary supplements contain no preservatives, yeast, artificial colorings, artificial flavorings, sugar, starch or animal products. No heat, moisture or chemicals are used in preparation of WAPR.
