Triple
Action

Our Omega 3 contains two of the **most beneficial Omega 3s** found in fish oil and linked to health benefits, EPA and DHA. In fact, up to 90%** of the Omega 3s in Centrum ProNutrients Omega 3 are EPA and DHA; 600 mg per serving.

Centrum ProNutrients Omega 3 contains a unique formula that is highly purified and quality controlled with nutrients (EPA/DHA) that provide *triple action support*:

- 1) Heart Health*
- 2) Brain Health*
- 3) Eye Health*

** Expected Range: 80–90%

† Not a replacement for cholesterol lowering drugs

†† 90% of the Omega 3s are EPA and DHA

Our Ultra-Concentrated MiniGels contain a unique blend of the two most scientifically studied Omega 3s naturally found in fish oil, EPA and DHA.

The fish oil in Centrum ProNutrients Omega 3 comes exclusively from sustainable fish sources in the deep open waters of the Pacific Ocean.

Small, easy to swallow!
