

This formulation provides a concentrated natural source of the essential Omega 3 fatty acids EPA and DHA from deep-sea, cold-water fish, plus the essential Omega 6 fatty acid GLA (gamma-linolenic acid) from the seed oil of the borage plant (*Borago officinalis*). EPA and DHA support cardiovascular, cellular and joint health.* The fish oil in this formulation undergoes molecular distillation to remove mercury and other harmful contaminants.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
