PROFESSIONAL USE ONLY

MCT Powder

DIRECTIONS: Mix the contents of one stick pack in 6-12 oz of water or beverage of choice, or use as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if stick pack is damaged.

MCT Powder features goMCT®, a patented medium-chain triglyceride (MCT) powder with high caprylic acid and capric acid content (C8/C10). MCTs are absorbed intact, are not stored as body fat, are excellent ketone body precursors, and provide a quick energy source without impacting insulin levels. goMCT® also contains acacia fiber, a prebiotic that may promote gut health.*

#CleanSeas

XYMOGEN is committed to reducing the amount of plastics used throughout our business, particularly in the packaging of our products. With our participation in the United Nations Environment Programme Clean Seas initiative, we strive to positively decrease our environmental footprint, providing results that can ultimately:

- » Help free the ocean of litter, making it safer for millions of marine animals.
- » Reduce the use of non-renewable resources.
- » Keep wild-caught seafood healthy and safe to eat.
- » Protect maritime economies such as organic fishing, tourism, and recreation.
