

SUPERIOR FORMULA BREAKDOWN:

EAS Muscle Physique™ contains ingredients that have been clinically shown to improve strength and body composition when utilizing the combination of Revigor® and creatine.

- **1g Revigor®**, the amino acid metabolite HMB, helps to protect against excessive muscle protein breakdown and increase muscle mass.*§ Recommended 3 servings/day provides 3g Revigor®.
- **2g Creatine Monohydrate** to increase strength and help you build lean muscle.

USE & MIXING INSTRUCTIONS

Take 1 serving post-workout and 2 more during the course of the day. Mix 1 scoop with 4 fl oz of cold water. Do not exceed 3 servings per day.

Note: Do not use if under the age of 18. Consult a physician prior to use if you are pregnant, contemplating pregnancy, nursing, or have a medical condition.

BUILD MUSCLE SAFELY
