

stay in top form

The exclusive formula in Innergize!® delivers nutrients like chromium and zinc in their most readily absorbed forms. Innergize! adds L-carnitine and L-glutamine to help increase energy and muscle development, magnesium oxide to promote oxygen absorption, and beta carotene to protect against free radicals.*

on or off the field

Innergize! is formulated to help you perform your best — whether working out or working in the yard.* No matter your routine, the vitamins, minerals and amino acids in Innergize! optimize your energy production, oxygen absorption and immune system so you get the most out of every day.*

directions

Add 1 scoop of Innergize! per 8 oz. water and shake or stir until dissolved. For added benefits, use in combination with other Reliv nutritional formulas.
