

clinical trial confirms: GlucAffect® works

In an eight-week, placebo-controlled clinical study of overweight individuals with elevated blood glucose levels, subjects taking four daily servings of GlucAffect® and participating in a diet and exercise program lowered their fasting blood glucose by an average of 30%, resulting in healthy blood sugar values. In addition, those taking GlucAffect lost an average of nearly 16 pounds during the eight-week period.

the power of X!

GlucAffect's patented formula is powered by LunaRich®, a Reliv-exclusive whole soy powder that maximizes soy's documented health benefits*.

directions

Add 1 scoop of GlucAffect at least once a day to 6-8 oz. of water, juice or skim milk and shake or blend until dissolved. Also tastes great with coffee or tea. For added benefits, use in combination with other Reliv nutritional formulas.

caution

If you are pregnant, breast feeding, or planning on becoming pregnant, please discuss this product with your physician before beginning use of GlucAffect.

For more information or to order, call 800 RELIV US (735.4887).

GlucAffect® has been issued U.S. Patent #8,114,445.
