

X000RT05ZT

SUGGESTED USE: As a dietary supplement, take 1 (one) capsule daily, preferably on an empty stomach at bedtime.

POTENT: 100mg 5-Hydroxytryptophan (Griffonia simplicifolia)

WHAT IT IS: 5-HTP (a.k.a. 5-Hydroxytryptophan), the intermediate metabolite between the amino acid L-tryptophan and serotonin, is extracted from the bean of an African plant (Griffonia simplicifolia). 5-HTP helps your brain produce serotonin, a neurotransmitter involved in sending messages through the nervous system that contribute to your mood and well-being.
