

**Finally, an organic
aloe liquid without
undesirable preservatives.
No sodium benzoate.**

Welcome to Premier Research Labs and our tradition of nutritional innovation! AloePro™, our best-selling aloe liquid, was conceived to offer a premier quality aloe liquid without undesirable preservatives such as sodium benzoate – and without added fillers or questionable sweeteners such as aspartame or sucralose – and without dilution with water.

TRADITIONALLY SUPPORTS HEALTHY DIGESTION**

This quality product meets our strict quality standards, both in terms of scientific lab testing as well as bioenergetic testing.

- ✓ Pure, organic aloe liquid without questionable preservatives
- ✓ No water added; all liquid present is from the aloe's inner leaf only

A beneficial herbal supplement for daily use; simply mix with water or juice.

Tamper Seal: Use only if seal is intact. If pregnant or nursing, consult a health professional before taking this or any other product. Keep out of reach of children.
