

Suggested Use: Take 1 capsule, 3 times daily or as directed by a health professional.

- ▶ Taurine, a sulphur-containing amino acid-like nutrient, is the most abundant free amino acid in the heart and the nervous system.
- ▶ Taurine plays a recognized role in the health of the brain, heart, gallbladder, eyes and the cardiovascular system.**
- ▶ Taurine facilitates the production of bile by being conjugated to form valuable bile salts which aid the absorption of fat-soluble vitamins.**
- ▶ Taurine supports liver health by supporting the body's natural detoxification processes.**

Keep out of reach of children.
