60 Capsules
DIETARY SUPPLEMENT

BoniHair is a natural supplement that is intended to replenish the enzyme Catalase, which slowly depletes as we age. Hydrogen peroxide is also naturally produced by the body. The Catalase catalyzes the decomposition of hydrogen peroxide to water and oxygen. BoniHair contains a high concentration of Catalase, along with other nutrients, known for their amazing hair benefits.*

Recommended Use: As a dietary supplement, take 2 capsules daily with meals. Best results obtained with continued use.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement.

Do not use if the safety seal is damaged or missing. Store in a cool, dry place.
