ABOUT THIS PRODUCT

BURN MORE CALORIES WHILE YOU SLEEP*

A measuring tape is the best way to track your progress on this
product. Users may lose inches in the waist, hips, and
stomach areas while notches enhanced definition of their
muscles. Some users may experience only minimal
weight-loss due to the fact that muscle is much denser and
therefore weighs more than fat. Individual results may vary. It is
recommended to take this product for 90 days to get
optimum results. However, results may occur earlier than 90
days depending upon diet and individual body chemistry.
This product does not contain caffeine or other stimulants,
such as ephedrine, or Ma Huang.*
