

WHAT IS COLLAGEN?

Collagen is a nutrient rich protein which your body relies on to support the health and youthful appearance of your skin, hair and nails. In addition, Collagen aids in the proper performance and function of your bones, ligaments, tendons and joints.*

As you age, your body's natural production of collagen drops, leading to a breakdown in collagen fibers. Without dietary collagen, your body can't replace what is missing. Collagen loss can result in many of the degenerative effects of aging, including more visible fine lines and wrinkles, hair loss and even a decrease in mobility and movement.*

THE BENEFITS OF COLLAGEN PEPTIDES

Sheer Collagen Peptides are molecules small enough to be quickly absorbed by the body. Once absorbed, collagen peptides may be used to support the appearance and vitality of your skin, hair, nails, joints, bones, ligaments and tendons. This rapid absorption and high bioavailability may make **Sheer Collagen Peptides** a powerful tool for anyone who wants to enjoy improvements in how they look, feel, and move.*

Sheer Collagen Peptides come exclusively from grass fed pasture raised cows with non-GMO ingredients. **Sheer Collagen Peptides** are produced in a GMP-certified facility so you know you are getting the highest quality product available.*

SUGGESTED USE:

Add 1 scoop of Sheer Collagen Peptides to your favorite beverage. Stir to dissolve. Mixes best with warm liquid. May also be added to soups or other recipes.

CAUTION:

Do not exceed the recommended dosage. Pregnant or nursing mothers, children under the age of 18, and individuals with known medical conditions should consult a physician before using this or any dietary supplement.

KEEP OUT OF REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL DRY PLACE.
