Recommendations: As a dietary supplement, take 1 capsule daily, just before a meal, with 6–8 oz water, for 2–3 months, or as directed by a health professional. Avoid taking with antioxidants or iron, as these substances may interfere with the product's effectiveness.

Tamper Resistant: Use only if safety seal is intact.

Warning: Not to be taken by pregnant or lactating women. If you have any health condition or are taking any medication, consult your health professional before use.

Keep out of the reach of children.
