

Suggested Use: 1 capsule daily preferably with a meal or as directed by a healthcare professional.

What It Is: Pregnenolone is a neurosteroid that our brains have been shown to use for peak performance.* Levels can naturally drop as we age, which can cause declines in memory and general cognitive function.*

Warning: Caution: Consult your healthcare provider before using this supplement especially if you are pregnant, nursing, taking medication, or have a medical condition.

Keep out of the reach of children. Contains desiccant packet for freshness. Do not eat packet. Do not use if safety seal is damaged or missing. Store in a cool, dry place.
