

Suggested Use. For men: take 1 capsule, 4 times daily. For women: take 1 capsule, 2 times daily.

- ▶ DHEA is the most abundant adrenal steroid hormone made by the body. Plasma levels peak around age 25 and then steadily decline.
- ▶ Studies suggest that DHEA is beneficial for emotional well being and optimal hormone levels.**

Manufactured in a cGMP compliant facility for superior quality assurance

As with all hormone products, consult your practitioner prior to use. Do not use DHEA if you are at risk for or have been diagnosed as having any type of hormonal cancer, such as prostate or breast cancer. Store in a cool, dry place.

Keep out of reach of children.
