

Suggested Use. Take one capsule daily.

Velvet deer antler ranks as one of the most important nutrients in traditional eastern usage, consumed for centuries to **nourish jing essence (overall health and vitality).****

Our unique deer antler is humanely harvested from New Zealand deer on a private ranch, without harm to the deer and without the use of questionable anesthetics that can taint the product.

Although deer antler offers many benefits, only now, by finding an exquisite quality source of deer antler, are we able to provide you with this outstanding product.

Keep out of reach of children.
