Your gut microbiome is as unique as you are.

Kyo-Dophilus® Fifty+ Probiotic was formulated with older adults in mind.

As we age, changes to diet, activity levels, medication use and increased inflammation can cause the microflora of our GI system to diminish. Daily use of Fifty+ Probiotic can help restore good bacteria and elevate immune system effectiveness.*

The three biocompatible human strains in Fifty+ Probiotic, **The Friendly Trio®**, have been clinically studied to document the efficacy of these strains to support a healthy gut microbiome.*

The Fifty+ Probiotic For You

- ✓ To maintain good colon health*
- ✓ Relieve occasional digestive discomfort*
- ✓ Promote healthy immune function*

Take one capsule of Kyo-Dophilus Fifty+ every day to restore beneficial bacteria for a healthy GI and immune system to encourage general wellbeing.*

A Probiotic You Can Count On

Kyo-Dophilus® Probiotics are formulated to support healthy digestive and immune systems.* Our probiotics deliver efficacy, quality and extended live cell viability without refrigeration. **The Friendly Trio®** is the core of our formulations.

The **Friendly Trio** is a clinically studied proprietary blend of human strain *Lactobacillus gasseri* KS-13, *Bifidobacterium bifidum* G9-1, and *Bifidobacterium longum* MM-2.

L. gasseri has been shown to support your body's GI function and immune health*

B. bifidum may regulate healthy gut flora and enhance immunity by reducing inflammation*

B. longum is known to normalize bowel movements*

Finding the right probiotic means considering more than CFU††† counts. Choose a probiotic with strains that are diverse, compatible and able to survive stomach acid, to encourage implantation and rapid replication in your gut.

We offer a variety of formulas and potencies made with clinically proven strains to help meet your specific health needs.*

You can count on Kyo-Dophilus Probiotics.
