with The Friendly Trio®
Clinically Studied Strains

30 Vegetarian Capsules

Your gut microbiome is as unique as you are.

Kyo-Dophilus® Max Probiotic contains a community of 12 beneficial bacteria to help repopulate your microflora.* This formulation includes **The Friendly Trio®**, a proprietary blend of biocompatible human strains *Lactobacillus gasseri* KS-13, *Bifidobacterium bifidum* G9-1, and *Bifidobacterium longum* MM-2. Max Probiotic also includes *L. acidophilus*, *L. plantarum*, *B. breve*, *B. infantis* and *L. rhamnosus* along with other species.

If your digestive health is susceptible to or has been compromised by travel or stress, Max Probiotic can help replenish your microbiome, balance your GI system and support a healthy immune response.*

The Max Probiotic For You

- ✓ To maintain good colon health*
- ✓ Relieve occasional digestive discomfort*
- ✓ Restore and protect good bacteria*

Take one capsule of Kyo-Dophilus Max Probiotic once daily whenever your gut microbiome needs strong reinforcement to maintain your general wellbeing.*

A Probiotic You Can Count On

Kyo-Dophilus® Probiotics are formulated to support healthy digestive and immune systems.* Our probiotics deliver efficacy, quality and extended live cell viability without refrigeration. **The Friendly Trio®** is the core of our formulations.

The Friendly Trio is a clinically studied proprietary blend of human strain *Lactobacillus gasseri* KS-13, *Bifidobacterium bifidum* G9-1, and *Bifidobacterium longum* MM-2.

L. gasseri has been shown to support your body's GI function and immune health*

B. bifidum may regulate healthy gut flora and enhance immunity by reducing inflammation*

B. longum is known to normalize bowel movements*

Finding the right probiotic means considering more than CFU†† counts. Choose a probiotic with strains that are diverse, compatible and able to survive stomach acid, to encourage implantation and rapid replication in your gut.
