A Probiotic You Can Count On

Kyo-Dophilus® Probiotics are formulated to support healthy digestive and immune systems.* Our probiotics deliver efficacy, quality and extended live cell viability without refrigeration. **The Friendly Trio®** is the core of our formulations.

The Friendly Trio is a clinically studied proprietary blend of human strain *Lactobacillus gasseri* KS-13, *Bifidobacterium bifidum* G9-1, and *Bifidobacterium longum* MM-2.

L. gasseri has been shown to support your body's GI function and immune health*

B. bifidum may regulate healthy gut flora and enhance immunity by reducing inflammation*

B. longum is known to normalize bowel movements*

Finding the right probiotic means considering more than CFU††† counts. Choose a probiotic with strains that are diverse, compatible and able to survive stomach acid, to encourage implantation and rapid replication in your gut.

We offer a variety of formulas and potencies made with clinically proven strains to help meet your specific health needs.*

You can count on Kyo-Dophilus Probiotics.
