DIRECTIONS: Take only as directed by your health care professional. Store container tightly closed in a cool, dry place. Keep out of children's reach. Pregnant or nursing women, or anyone taking medication or who has a medical condition, should consult a health-care professional before using this or any other dietary supplement.

CAUTION: Your kidneys control how much sodium is in your body. If you have too much and your kidneys can't get rid of it, sodium builds up in your blood. This can lead to high blood pressure. Consult a doctor before using this product.
