

CRAN FLORA is specially formulated to offer a comprehensive blend of highly concentrated Cranberry Powder, *L. Acidophilus La-14*, and Ester-C™ in a convenient 2 a day dosage form. This unique combination promotes the health of the urinary tract and supports a healthy immune system, while also providing friendly bacteria for the digestive system. In just 2 vegetable capsules, CRAN FLORA provides the equivalent of 40,000 mg [40g] of fresh cranberries!\*

## CRAN FLORA WITH PROBIOTICS

CRAN FLORA is specially formulated to offer a comprehensive blend of highly concentrated Cranberry Powder, *L. Acidophilus La-14*, and Ester-C® in a convenient 2 a day dosage form. This unique combination promotes the health of the urinary tract and supports a healthy immune system, while also providing friendly bacteria for the digestive system. In just 2 vegetable capsules, CRAN FLORA provides the equivalent of 40,000 mg [40g] of fresh cranberries!\*

Cranberries (*Vaccinium macrocarpon*), are native to North America and are members of the same botanical family as bilberries and blueberries. They naturally contain the health supporting benefit of proanthocyanidins. Cranberry is traditionally used for the health of the urinary system. It removes unwanted compounds from the urinary tract, thereby cleansing and promoting urinary health.\*

Ester-C is a registered trademark of The Ester C Company.

## CRAN FLORA WITH PROBIOTICS

CRAN FLORA, in addition to highly concentrated Cranberry Powder and Ester-C®, provides *L. Acidophilus La-14*. This probiotic (friendly bacterium), is part of the acidophilus species, which is naturally found in the gastrointestinal tract, and in fermented foods such as yogurt. A large percentage of the body's immune system is located in the gastrointestinal tract, and *L. Acidophilus La-14* provides friendly bacteria for the immune system. It is thought probiotics temporarily colonize the intestine, and promote a proper balance of intestinal flora while encouraging a favorable environment for the absorption of nutrients. Additionally, this formula provides Ester-C®, which is a buffered, non-acidic form of Vitamin C formulated to be gentle on the stomach.
