ABOUT US

At Samsara Herbs, we believe that ALL positive change in the world must first begin with positive change from within. We invite you to tap into your own infinite power through the use of our potent herbal extracts!

We seek out only quality herbs from our trusted sources from around the world for use in our herbal extracts.

Samsara Herbs, dedicated to empowering your life force!

Full Spectrum herbal extracts are made by concentrating the herb into an extract form, while maintaining all of its original compounds. The ideal choice for those wanting a more potent version of a complete herbal powder.

DESCRIPTION

African Mango Seed, also known as Dika nut, has a history of use throughout central Africa as a superfood, due to its nutrient dense composition. It has gained popularity in the west because it is believed to support cholesterol, appetite control and potential weight loss.

Our water soluble herbal extracts are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste.**

STORAGE

Cool dry place, out of direct sunlight.
