

ABOUT US

At Samsara Herbs, we believe that ALL positive change in the world must first begin with positive change from within. We invite you to tap into your own infinite power through the use of our potent herbal extracts!

We seek out only quality herbs from our trusted sources from around the world for use in our herbal extracts.

Samsara Herbs, dedicated to empowering your life force!

DESCRIPTION

Our formula is a combination of 11 herbal extracts. It is believed that these herbs work, in conjunction, to support the immune system, which can potentially, support many of the common tick recovery strategies and protocols.^{††}
