Our vitamin C tablets contain 500 mg of vitamin C in a blend of citrus bioflavonoids, hesperidin, rosehips, and rutin to optimize the body's use of vitamin C. Bioflavonoids both enhance the absorption and act in synergy with vitamin C to provide antioxidant protection, keep collagen healthy, and help increase capillary strength.*

Vitamin C is a powerful antioxidant which supports healthy bones, cartilage, teeth, and gums.* It helps protect cells against free radical damage and vitamin C deficiencies in the daily diet, and supports healthy cell growth.*
