

Herb Specialists Since 1972

GUARANTEED PURE

Cardiovascular System Support*

Nattozimes Plus is a protease enzyme system produced by the fungus *Aspergillus* in a unique blend of hawthorn berries, capsicum fruit, dandelion leaf, and resveratrol. This is a non-soy sourced enzyme system that functions with the same enzyme activity of nattokinase. This material contains no vitamin K, unlike that of nattokinase from soy.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

RECOMMENDATION: Take 1 capsule between meals twice daily on an empty stomach.

Warning: Consult your health care provider prior to using this product if you are taking blood thinning medications, or have a bleeding disorder. Do not use or handle this product if you are allergic to *aspergillus*.

This product was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials that are subject to color variation.
