We seek out only quality herbs from our trusted sources from around the world for use in our herbal extracts.

Samsara Herbs, dedicated to empowering your life force!

Our **Formulas** are a combination of multiple herbal extracts that are believed to work, in synergy, to elicit a more potent effect.

DESCRIPTION

Our Biofilm formula is a combination of 5 herbal extracts (Terminalia chebula, Zedoaria, Sparganium, Turmeric, Stevia). It is believed that these herbs work collectively, in the support of a healthy immune system, to help weaken biofilm activity.**

Our water soluble herbal extracts are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste.

STORAGE

Cool dry place, out of direct sunlight.
