

Suggested usage: 4 capsules per day with food or as directed by a health professional.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. Keep out of the reach of children.

Contraindications: Do not use if you are taking health products that affect blood coagulation (e.g., blood thinners, clotting factor replacements, acetylsalicylic acid, ibuprofen, fish oils, vitamin E) as this may increase the risk of spontaneous bleeding. If you are taking antibiotics or nitroglycerin, do not use this product.

Three Brains® is a line of supplements designed to support the critical relationship between our head, heart, and gut. Together, these three “brains” influence our cognition and support a healthy mind.*

Ultimate Neuro Complex helps promote mental clarity and support healthy neuron activity for optimal memory and cognitive function.* This comprehensive formula includes seven ingredients that work together synergistically to support overall brain health.*
