

Suggested usage: (Days 5–7): Take 2 scoops (39.5 g) three times per day along with a liberal diet of raw or lightly steamed vegetables and fresh fruits. Drink a minimum of 8 glasses of pure water, or green or herbal teas daily.

Mixing instructions: Mix 2 scoops (39.5 g) in 8 fl oz of purified water or freshly pressed juice (vegetable or fruit) or make a smoothie by blending 2 scoops (39.5 g) with 8 fl oz of purified water and 1 cup of frozen organic berries or other fruit. Stir and drink immediately.

Cautions: As with any supplement, consult your health professional before use if you are pregnant, breastfeeding, or trying to conceive, or if you are taking medication, have a medical condition, or anticipate a surgery. If you have a liver disorder or develop symptoms of liver trouble (such as abdominal pain, dark urine, or jaundice) and/or if you have gallstones or a bile duct obstruction, consult a health professional prior to use. Keep out of the reach of children.

Detoxitech is a low allergy potential supplement designed to provide sophisticated nutritional support to excrete natural body toxins.* Detoxitech may also be used as the nutritional foundation for an intensive and energy restoring detoxification program.*

What is Detoxitech?

- A full spectrum of vitamins, minerals, antioxidants, fiber, and protein
- A delicious, low allergy potential smoothie mix providing nutritional support for natural detoxification*
- A blend of antioxidants, phytochemicals, and other nutrients designed to promote the healthy processing and excretion of natural body toxins*
- Can be used periodically as the basis for an effective detoxification program or daily for the maintenance of efficient detoxification of natural body toxins*
