ABOUT US

At Samsara Herbs, we believe that ALL positive change in the world must first begin with positive change from within. We invite you to tap into your own infinite power through the use of our potent herbal extracts!

We seek out only quality herbs from our trusted sources from around the world for use in our herbal extracts.

Samsara Herbs, dedicated to empowering your life force!

Standardized herbal extracts contain isolated herbal compounds, in guaranteed amounts. Often having the prevalent compound found in an herb, in a significantly higher concentration than found in nature.

DESCRIPTION

Dihydromyricetin or Amelopsin, is a natural flavonoid compound found in plants. Reportedly, for centuries in Asia, it has been used to support the body against minor illness symptoms. Dihydromyricetin is believed to support healthy liver and brain function and aid the liver in processing alcohol. Dihydromyricetin helps your body rehydrate after an evening out.**

Our water soluble herbal extracts are best mixed in juice or a smoothie, although mixing in water is perfectly fine if you can tolerate the taste.

STORAGE

Cool dry place, out of direct sunlight.
